MONITOR

SAMSUNG XXSM

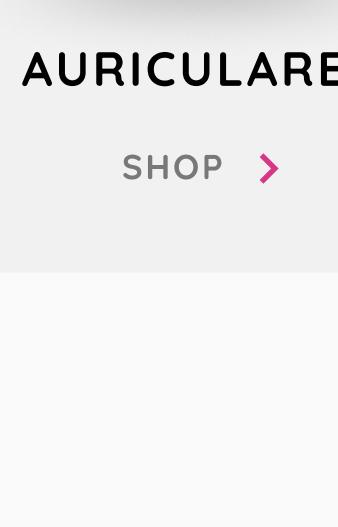

[SEE PRODUCT](#)

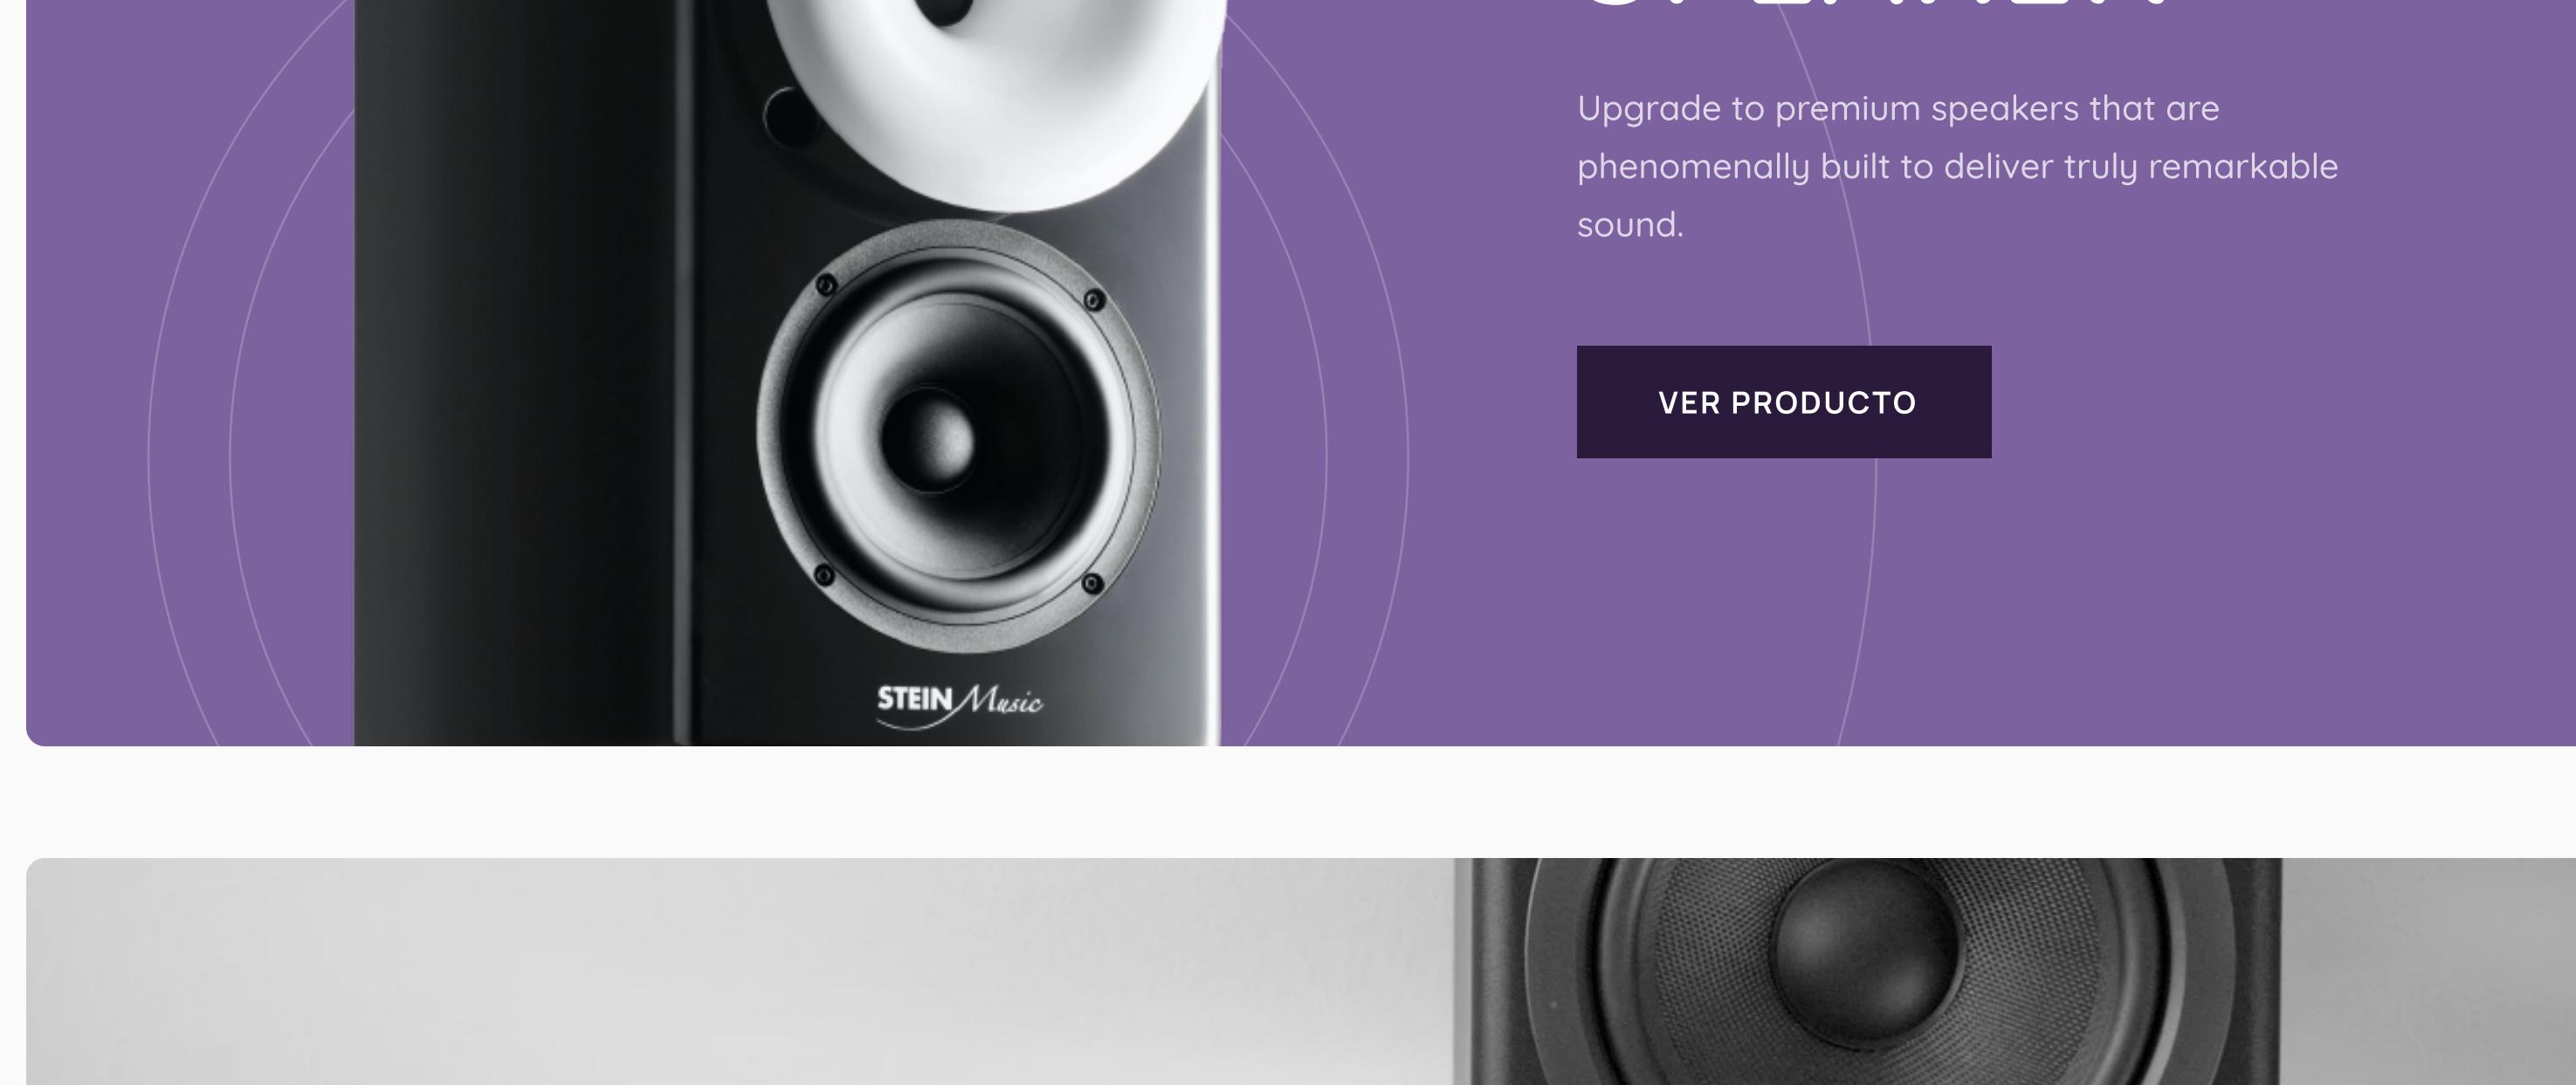

Page 1 of 1

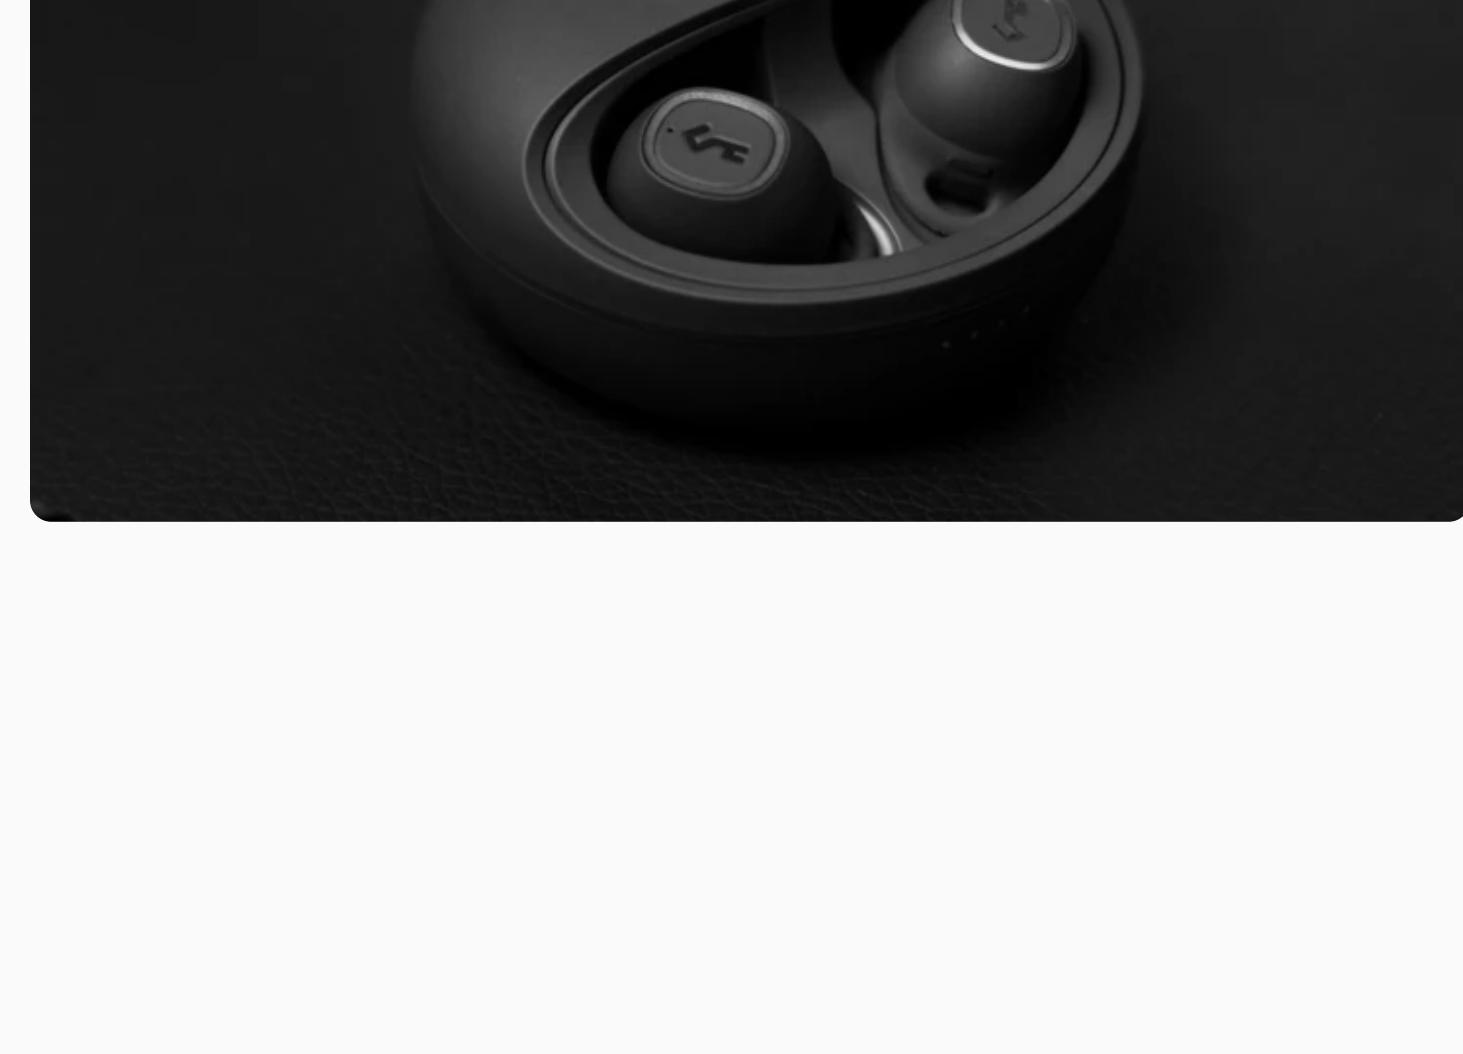

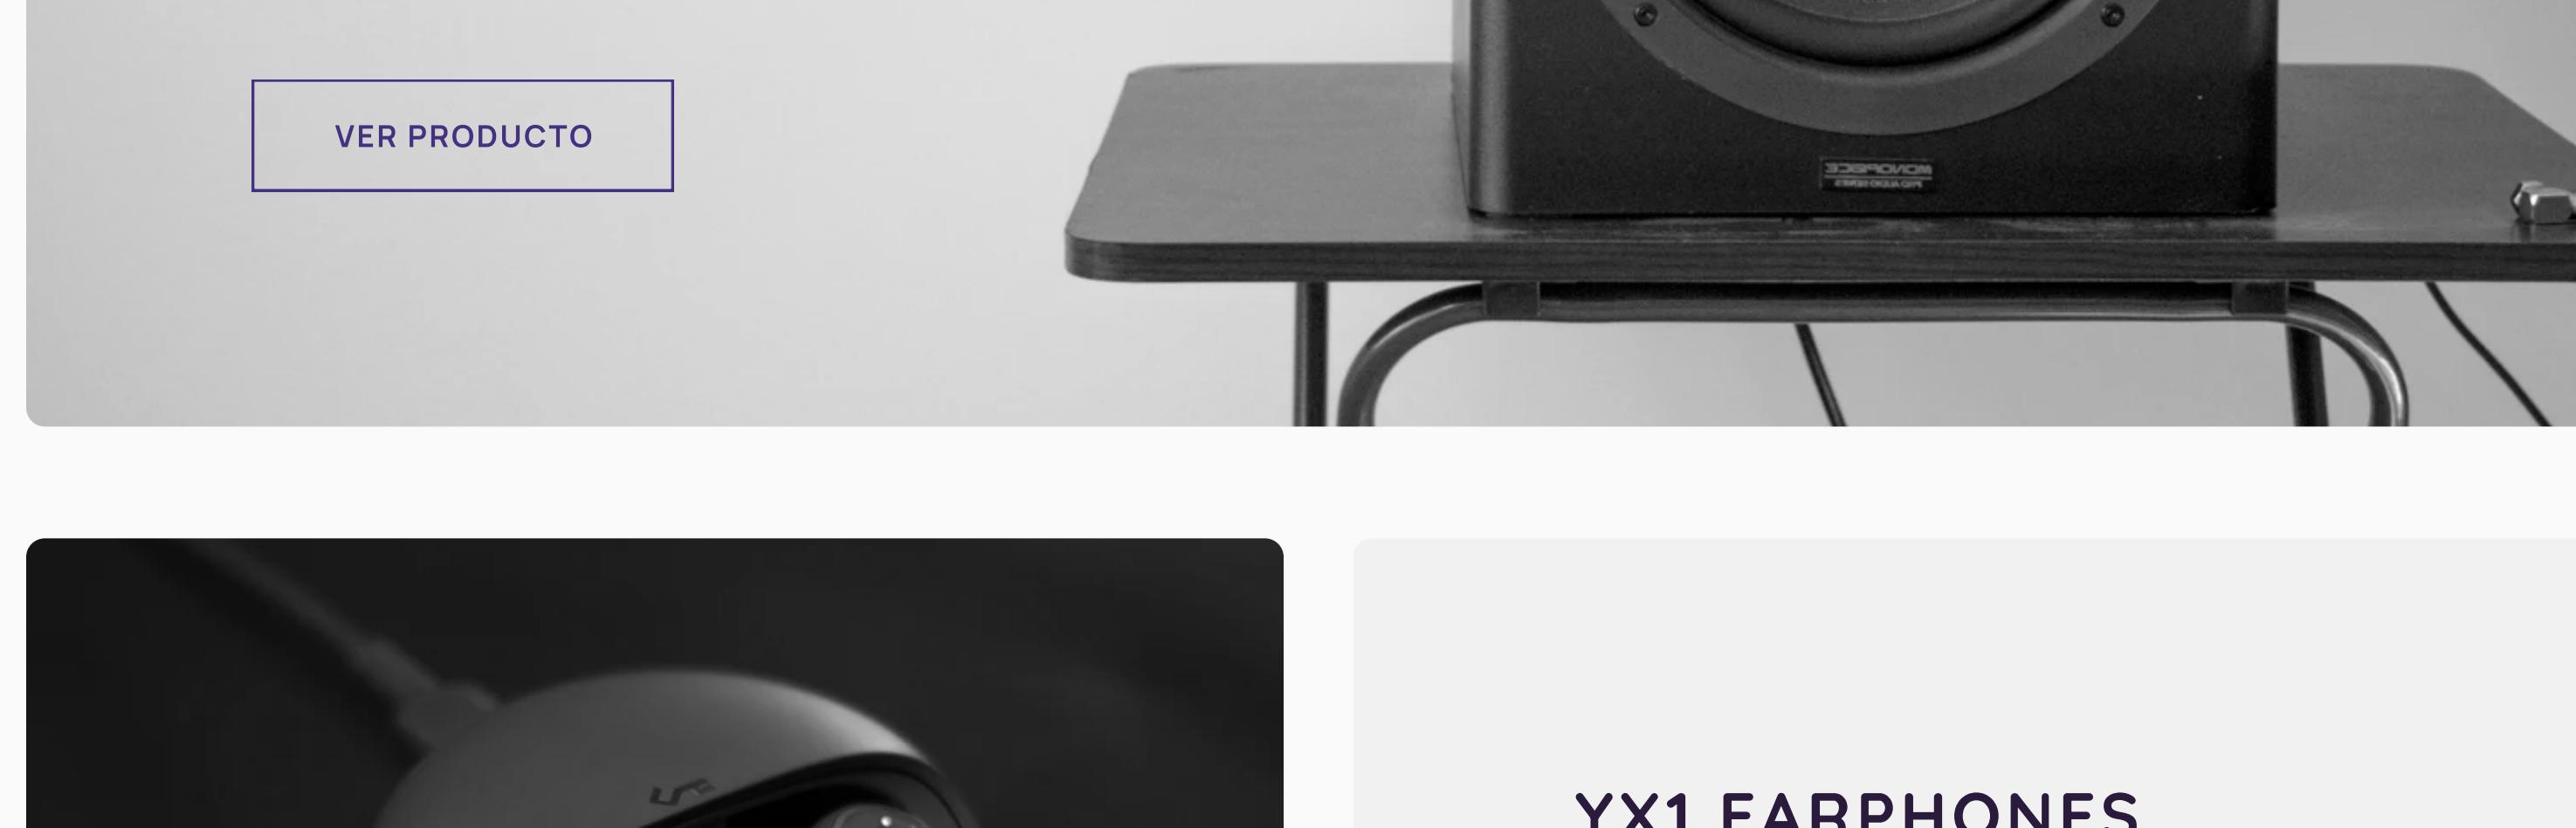

www.ijerpi.org

© 2019 Pearson Education, Inc.

A close-up photograph of a speaker's front grille. The grille is made of a fine, woven mesh material, appearing dark grey or black. In the center of the grille is a circular, recessed area containing a dark, smooth circular component, likely a dust cap or a protective plate over the speaker driver. The edges of the grille frame are visible, showing a dark, curved profile.
